Cross Marling Close, pass the MUGA and bear right to a waymarker between the floodlights. Go down the steps, across the footbridge, and up to the road leading to Manor Farm.

Follow the signs for the **Cotswold Way** towards Middleyard. Cross the middle of a field. Follow the edge of the next field into the corner and diagonally across the next field.

Walk behind houses to a stile & turn left. After a few yards cross into another field & bear right to a footbridge.

Cross & go uphill to a stile. Bear left along the hedge to a stile onto the road by "Badgers".

Follow the road towards Redhill Farm to a stile on the right. Turn right over a stile & follow the edge of the field uphill to a stile. Cross a broad track. Continue over another stile, across the field & between houses to the road.

Almost opposite is another track between houses up to the Common.

Either: Bear left along the edge of the Common to the gate and signpost. Or: go up steeply to "the Toots" and make your way toward the church and gate. Close by is a bus stop for the 14 bus back to KS.
